#	Question	Answer	Question #
1	Under the NWSA appendices, will NWSA provide this information specifically for container forecasts to the year 2050, share of exports and imports by state, inland transportation costs (shipping costs) to key U.S. Cities, etc., or is the consultant expected to produce this information as part of the Proposed effort?	Consultant would be expected to produce this information based on available data in the industry.	Q-002049
2	We are having issues downloading Attachment E - Vendor Cyber Security Self Assessment Excel form from Port Tacoma website.	Sent via email 3/19/24	Q-002048
3	Why are you looking for a new Vendor?	This is a new project and we do not have on-call support for this type of service.	Q-002048
4	What if any data will the port provide or facilitate the acquisition of?	The port(s) can provide financial information for the respective port.	Q-002048
5	What is the length of this engagement? When do you expect a final report?	This project will ideally be completed by the end of 2024.	Q-002048
6	How can we get non-corrupted version of Attachment C & E in the RFP?	Sent through email on 3/20/24	Q-002048
7	Why are you looking for a new Vendor? What if any data will the port provide or facilitate the acquisition of? What is the length of this engagement? When do you expect a final report? How can we get non-corrupted version of Attachment C & E in the RFP?	See Answers to Questions 12-15 above.	Q-00205
8	Can you please re-post the Cost Template and Vendor Cybersecurity Self-Assessment Attachments, they are both blank forms when trying to download.	Attachment C & E were reposted 3/21/24.	Q-002050
