1	There are conflicting statements in the issued RFQ. Can you please clarify the questions submittal deadline date/time and the SOQ submittal deadline date/time?	Questions due: 5/1 & Submittals due: 5/8 (Addendum 01)	Q-002975
2	I wanted to check in with you to clarify my understanding of two different RFQ that were advertised this week, but appear to be very similar. Can you please confirm that the Northwest Seaport Alliance RFQ No. PA000000099 - On-Call Water Quality Program and the Port of Tacoma RFQ No. PA000000300 – On-Call Water Quality Program are separate procurements and we need to submit two separate proposals to be responsive?	Yes they are different RFQ's. Our new finance system does not allow us to combine the NWSA & PORT procurement/contracts anymore.	Email
