Q-003398	10/14/2025	1) Would the Port please provide a clearance diagram to which the proposed equipment should abide by? 2) Would the Port please remove the requirements for bidders to provide information on Repair Facilities? New equipment will be accompanied with a new-equipment warranty and a commissioning & training phase and will negate the need for those requirements. [Reference: Page 3, Section C, Repair Facilities.] 3) Would the Port please remove the warranty requirements noted in the ITB and replace them with the language below? [Reference: Page 3, Section C, Warranty Service and Performance.] "LIMITED WARRANTY. Harsco Rail warrants products of its manufacture to be free of defects in material and workmanship, under normal use and service for a period of X (X) months from date of delivery to the original user. The obligation of Harsco Rail under this warranty is limited to repairing or replacing at its factories, or other location designated by it, any part or parts thereof which are returned within thirty (30) days of the date when failure occurs or defect is noted, with transportation charges prepaid by Buyer, and which upon examination appears to the satisfaction of Harsco Rail to have been defective. Such free repair or replacement does not include transportation charges, the cost of installing the new part or any other expense incident thereto. Harsco Rail will not be liable for other loss, damage, or expense directly or indirectly arising from the use of its product, nor will Harsco Rail be liable for special, incidental, or consequential damages. Ordinary wear and tear and damage from abuse, misuse, neglect or alteration are not covered by this warranty. Harsco Rail assumes no liability for expense incurred or repairs made outside its factories except by written consent. This warranty is null and void if instructions and operating procedures are not followed. Equipment and parts not manufactured by Harsco Rail, but which are furnished in connection with Harsco Rail products, are covered directly by the warranty of the manufacturer supplying them. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY DISCLAIMED AND OF ANY OTHER OBLIGATION OR LIABILITY OF HARSCO RAIL. THE REMEDY SET FORTH ABOVE IS BUYER'S EXCLUSIVE REMEDY FOR A BREACH OF THE WARRANTY." 4) If replacing the warranty requirements as requested in Question #3 above, would the Port incorporate the following into Section C, Warranty Services and Performance of the ITB: "Notwithstanding anything to the contrary herein, this warranty is in lieu of all other warranties expressed or implied including any implied warranties of merchantability or fitness for a particular purpose, which are hereby disclaimed and of any other obligation or liability of Supplier. The remedy set forth above is the Port's exclusive remedy for a breach of the warranty." 5) Would the Port modify Attachment B Standard Terms and Conditions, Section 26 of the ITB to incorporate a reasonable cure period, as noted below? Seller and Purchaser each agree to cooperate with the other Party in any and all attempts by Seller or Buyer, as applicable, to cure any default within this default cure period."	1) No restrictions.
