PROPOSER QUESTIONS	PORT RESPONSES	RFP/ RFQ Section
Can you please advise as to the impetus behind the issuance of this RFP?	The Port is a Public Agency, operating under RCW.53.19 requiring the procuremnt of personal service contracts.	
	"Procedure When Only One Proposal is received" refers to the situation where one proposal, to complete the entire scope of work, is received by the Port. You are correct, the Port plans to hire a single firm to complete both scopes of work.
