PROPOSER QUESTIONS	PORT RESPONSES	RFP/ RFQ Section
Has there been an update to the Holder's List? The previous list published on the website is dated April 14th.	See attached Holder's List updated April 23rd, 2014. Additionally, the Port of Tacoma maintains a Holder's List of firms who have requested to 'Subscribe' to the RFQ. The only information obtained from the subscription to the RFQ are email addresses. The Port will post the Holder's List, and request that the contacting of individuals be done only in regard to collaborating (or teaming) for this RFQ. <u>NO MARKETING PLEASE.</u>	
[Our Company] is preparing our submittal for the subject RFQ. We request your permission to use, exclusively in our proposal, the Port of Tacoma Logo and several photos which used to be on the media page of your website. We will also be using personal photos taken during my time with the Port and some historical photos from the Port's archives with your permission.	We do not provide our logo or photos for potential vendors to use in their proposals. We also don't allow Port-owned photos to be used for commercial purposes, such as in a private company's advertising or marketing materials, to avoid any appearance of a gift of public funds. We are happy, however, to provide contact information for the professional photographers who work with the Port, if you'd like to hire them separately.
