ON-CALL PIER AND MARINE REPAIRS
PROJECT NO. VARIOUS | CONTRACT NO. 070466

1. BIDDER QUESTION

    In section 00 11 13 - ADVERTISEMENT FOR BIDS it states that "the Contract amount is Not to Exceed (NTE) $600,000.00, plus Washington State Sales Tax.". But it also states the following "Each bid must be accompanied by a Certified Check or Bid Security in an amount equal to five (5%) percent of the NTE contract amount ($800,000.00)." Please clarify the contract amount.

    RESPONSE

    See Addendum No. 01.

2. BIDDER QUESTION

    From reading your table of contents, your specifications seems to be missing sections and having sections out of sequence. For example I could not find section 01 10 00 – summary. Also section 01 57 -13 is after 00 73 63. Is this the document you want us to use for bidding?

    RESPONSE

    See Addendum No. 01.

3. BIDDER QUESTION

    According to the table of contents, the spec book for this project was missing Sections 004325, 011000, 012600, 013000, & 013543.13.

    RESPONSE

    See Addendum No. 01.

4. BIDDER QUESTION

    We appreciate that the Port encourage bids to include small business contractors/sub-contractors as listed in Article 5 of the project manual. Will the inclusion of, for example minority- or women-owned small businesses, or certified HubZone or 8(a) companies be a consideration factor when lowest bidders enter in to the evaluation phase?

    RESPONSE

    No.

5.   BIDDER QUESTION

How many marine mammal monitors will be required per project, or what is the expected range of monitors that may be needed simultaneously?

RESPONSE

See Addendum No. 01 – Programmatic Biological Evaluation is now part of Appendix B.

6.   BIDDER QUESTION

Will there be any requirement for marbled murrelet monitors, or use of small watercraft, associated with the marine mammal monitoring effort?

RESPONSE

See Addendum No. 01 – Programmatic Biological Evaluation is now part of Appendix B.
