PROPOSER QUESTIONS	PORT RESPONSES
Is there any additional description of each bid item? For example, what does the Item No 16, General Site Maintenance, consist of with the 120 labor hours. What is expected?	<a href="#">See bid documents</a>
This project shows substantial completion by December 31, 2018. Is this all work including maintenance, or just the weed control (herbicide application, etc.) and plant/mulch installation?	<a href="#">Substantial completion is defined as all work being completed.</a>
Is there a specification for the mulch?	<a href="#">See bid documents</a>
Is there an already determined type of aquatic use herbicide (broadleaf, non-selective, etc.)? Brandnames or active ingredient is fine.	<a href="#">See bid documents, herbicide to be in accordance with WSDA approved for aquatic use.</a>
Specifications for Seed Mixes (Upland and Wetland)?	<a href="#">See bid documents</a>
What type of pest control is needed/expected?	<a href="#">See bid documents</a>
