

Port of Tacoma Invitation to Bid # 87742  
Addendum #1

**Date 9/12/2019**

The following is additional information regarding **ITB-87742** titled **Pre- Fabricated Communication Hut** released on 9/11/2019. **The due date and time for responses remains as 9/17/2019 @ 2:00PM PDT.** This addendum includes both questions from prospective bidders and the Port's answers, and revisions to the ITB. This addendum is hereby made part of the ITB and therefore, the information contained herein shall be taken into consideration when preparing and submitting a bid.

Item #	Date Received	Date Answered	Vendor's Question	Port's Answer	ITB Revisions
1	9/12/19	9/12/19	We recently received an invitation to bid project ITB-87742. I have reviewed the specifications and feel our Fiberglass design would be the best solution for this coastal application. It's impervious to corrosion and includes a standard 25 yr. warranty on the shelter. However, your specification calls for stainless steel finish. Will you consider out Premium Fiberglass design as an alternate?	Fiberglass is NOT acceptable. The unit must be stainless steel as specified.
