Item #	Date Received	Date Answered	Vendor's Question	Port's Answer	ITB Revisions
1	11/7/19	11/8/19	We need more time to get the equipment and spec quoted is that possible.?		The Due date & time is updated to 11/20/2019@2:00 PM PST
2	11/7/19	11/8/19	There is a lead time of 120 days for the truck, another 80 plus for the fabrication and it could be longer depending on how far out the fabricators are Can we extend the Delivery date by 60-90 days?	200 days is our desired time frame, bidders have the ability on the offer sheet to state how long a lead time they need.	
3	11/7/19	11/8/19	This was issued on 11/5 with a quick turnaround why such quick when DBE's would have a harder time getting quote.?	See our response to item 1. This should provide ample time to get a quote.
