PROPOSER QUESTIONS	PORT RESPONSES	RFP/ RFQ Section
As the end of the RFQ No. 071077 On-Call Cost Estimating and Constructability Services 2019, there is an example of a rate sheet. After reviewing the RFQ, it appears that a the sheet is not required for the submission on January 30th, but is required if awarded the contract. Could you please confirm that a rate sheet is not required for the RFQ at this time? Or if it is required, could you let me know if it should be in the document (and part of the 7 page count) or as part of the appendix?	Rate sheets are not due at time of sumbimttal for RFQs, it is attached with the draft contract and Terms & Conditions. If selected the firm will be expected to provide a rate sheet prior to contract being issued.
