SUBMITTAL DUE DATE December 17, 2020 @ 2:00 PM (PST)

Q&A ISSUE DATE December 14, 2020

PROPOSER QUESTIONS	PORT RESPONSES	RFP/ RFQ Section
WUT fender replacement project has BUY AMERICA ACT on it or we can use imported steel material	Project does not have restrictions on where steel is purchased. Project is not federally funded.	
Is this a Buy American project?	See previous response.	
S3.1 detail 1 does not show the size of the shear chain. Are we to use same dimensions as the existing chain?	The fender system, including (but not limited to) all chains, shackles, turnbuckles, U-bolts, and their anchorages shall be designed by the contractor to meet the requirements of the drawings and specifications.	
Please provide a copy of walkthrough meeting notes.	No walk through notes are were taken.	
There is a spec section for asphalt paving but the plans doesn't show any paving work. Please clarify.	See Drawings D2.1, D2.2, S3.3
